EDUCATION

Ph.D. in Computer Science

University of Regina – Regina, SK, Canada

Fall 2024 – Present

M.Sc. in Computer Science and Engineering

Daffodil International University – Dhaka, Bangladesh

Thesis: “Machine Learning Approach to SEER Cancer”

2019 – 2020

B.Sc. in Computer Science and Engineering

Daffodil International University – Dhaka, Bangladesh

Thesis: “Factors Causing Stunting Among Under-Five Children in Bangladesh”

2015 – 2019

RESEARCH INTERESTS

• Machine Learning • Quantum Machine Learning • Deep Learning • Artificial Intelligence

AWARDS AND SCHOLARSHIPS

[1] Entrance Scholarship, University of Regina (Ph.D. Program)	Fall 2024 – Present
[2] International Doctoral Award, University of Regina	Fall 2024 – Present
[3] Research Grants, Daffodil International University	2019, 2022
[4] 40% Merit Scholarship (M.Sc.), Daffodil International University	2019 – 2020
[5] Best CGPA Award, Dr. Md. Sabur Khan, BoT, Daffodil Family	2015
[6] Champion, Intra-University Programming Contest, Dhaka	2015, 2016
[7] 30% Merit Scholarship (B.Sc.), Daffodil International University	2015 – 2019

SELECTED EXPERIENCE

Lab Instructor, CS 110 – Programming and Problem Solving Jan – Jun 2025, Sep – Dec 2025
University of Regina, Dept. of Computer Science – Regina, SK, Canada

- Conducted weekly lab sessions and supported students in C++ programming.
- Evaluated lab work, quizzes, and provided feedback through UR Courses.
- Participated in lab planning and weekly instructor meetings.

Supplementary Teaching Assistant, CS 372 – Software Engineering Sep – Dec 2025
University of Regina, Dept. of Computer Science – Regina, SK, Canada

- Supported students with assignments, exams, and course content through email and office hours.
- Coordinated with markers and monitored Proctortrack to ensure timely grading and exam operations.
- Assisted with course updates, reminders, and provided in-class and exam support as required.
